Thank you for a wonderful week here in your house. Me and my daughter Jasmine have been skiing on the glacier every day since we came here. It has been the most wonderful sunny weather we have ever seen. The location of the apartment was super for us – near the busstop and right in the middle of Neustift. I was here once before, 1976 skiing with friends and I am glad I got the opportunity to come back.
We hope we come back next year.
Thanks a lot! Susanne and Jasmine Westman

We found your website very nice.
The pictures of the house, the balcony and the view towards the glacier.
The best of all.... everything was even better in reality.
Thanks a lot for picking us up at the airport....
what a service!!
